# CHAIR'S MESSAGE

I hope this newsletter finds you all well and enjoying your summer! I remember as a child how quickly the summers flew by while it took forever for Christmas to arrive. My grandmother often said that time seems to go much faster, the older you become, and I'm finally realizing what she meant. As another year rolls quickly by, we pause to celebrate our birthdays, holidays and special events. CVBA is no exception in that we are working towards our 5th year anniversary. This organization has done very well in its mission to unite and serve you, our valued members, and the communities of Franklin County and surrounding areas.

CVBA's success is driven solely on our dedicated members, volunteers and of course our very capable staff. Many thanks to our renewing and a hearty welcome to our new members. Please take the time to attend mixers and events as this is your key to opening new business opportunities as well as friendships. The Summer Mixer is July 1 from 4 to 6 p.m. at the Goldfish Barn in Fort Loudon. Two hometown, keystone events will be held in July. The first event is the Greencastle-Antrim Chamber's 58th Annual Sidewalk days on July 11 and 12. There you will find many retail vendors as well as food trucks for your enjoyment. As with all of our outside activities, we've requested good weather. The second event is ChambersFest in Chambersburg, July 12-19 with various events including Scoop-a-Palooza. This is fun for the whole family! Details about all our events can easily be found at [CVBAlliance.org/Events](http://CVBAlliance.org/Events).

While I avoid highlighting any particular member, I would be remiss for not highlighting Wellspan Health, a stakeholder member, for their very generous donation of 10 acres of land added to the Greencastle-Antrim School District Farm: Tayamentasachta Environmental Center. This original tract was purchased, with great foresight, by the G-A School District in 1966. For the past 59 years, students and residents alike have enjoyed its solemnity. A sincere THANK YOU to Wellspan for their generosity and contribution to this landmark gem. If you have never been to the farm, I highly encourage you to take some time this summer to enjoy a hike through the property or sit and enjoy the wildlife.

Finally, a sincere THANK YOU to all of you, for without you there would be no CVBA. I encourage your participation through events and become involved with a committee or become an Ambassador to spread the word about your success with the CVBA.

I wish you all a very safe, happy and healthy summer!

Subject: **Sponsorship Opportunity—Building a Playful Future at Antrim Township Community Park**

Dear Friends, :

Antrim Township Community Park has long been a place where families, friends, and neighbors gather to connect with nature, play, and create lasting memories. We are excited to introduce our newest project, **Building a Playful Future**, the installation of a one-of-a-kind Natural Play Area designed to spark creativity, encourage exploration, and immerse children in the beauty of the outdoors.

Unlike traditional playgrounds, this innovative space honors our region's agricultural heritage, featuring farm-themed climbing structures, interactive water elements, and nature-inspired play zones. Children can climb a hay bale, balance on a trailer seesaw, and engage with a working farm pump, fostering both imaginative play and a deeper connection to our land and agrarian traditions.

We invite you to develop this project with us. Sponsorship offers targeted marketing benefits, including permanent logo placement near the play area, recognition in press releases and on social media, and verbal acknowledgment at the ribbon-cutting celebration during Old Home Week. Higher-level sponsors can further engage the community through branded giveaways, an on-site table at the celebration, a complimentary rental of the creek-side pavilion for company picnics, or an exclusive guided walking and history tour of the park.

With thousands of families, school groups, and visitors enjoying Antrim Township Community Park each year, this is a unique opportunity to align your brand with community enrichment, outdoor play, and honoring local traditions.

We invite you to review the enclosed Sponsorship Form and would appreciate the opportunity to give you a personal tour.

We look forward to celebrating with you at the playground ribbon-cutting during Old Home Week and showcasing your commitment to our community!

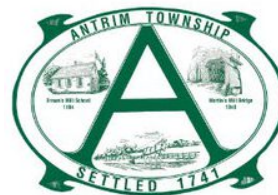

Sincerely,

Chris Ardinger  
Township Supervisor

By definition, a credit union is a member-owned, not-for-profit financial cooperative. Since we are not-for-profit, members usually earn higher dividends on savings and pay lower interest rates on loans. In addition, all loan decisions are made locally, right here in your community. Deposits provide money for members who need loans, proving our longstanding philosophy of **"people helping people."**

## Building Member Relationships

---

Our members work hard for their money and we believe that our members' money should work hard for them too. We're here to help you find the best ways to make the most of your money, whether through suggesting new products or a new financial strategy. ## SWINGING INTO SUMMER

On Friday, June 6, the Greencastle-Antrim Chamber of Commerce proudly hosted its 37th Annual Golf Tournament at the picturesque **Greencastle Golf Club**. Presented by Tournament Sponsor – **WellSpan Health**, the event brought together business leaders and community members for a fun-filled day of friendly competition, networking and support for local initiatives. Approximately 120 golfers kicked off the day with breakfast from **Chick-fil-A Chambersburg**, accompanied by fresh coffee and Bloody Marys, before hitting the course under clear, warm skies.

The tournament featured a variety of on-course contests, including Closest to the Pin, Longest Drive and Putting Green Contest, keeping the competition exciting throughout the day. Players could also boost their game with “booster packs” (including Mulligans and Power Balls) and tried their luck with raffle tickets for a chance at prizes. A delicious grab-and-go lunch was provided on the Causeway, thanks to **Martin's Famous Potato Rolls** and Kline's Grocery.

A heartfelt thank-you goes out to our incredible sponsors who made the event possible: **Graphics Universal** and **Ventura Foods** (Corporate Sponsors), **Community State Bank** (Cart Sponsor), **Manitowoc** (Golf Ball Sponsor), **F&M Trust** (Putting Green Sponsor), **Penn National Insurance** (Beverage Sponsor), **UPMC of Central PA** (Volunteer Sponsor), and all of our dedicated Hole and Exclusive Hole Sponsors. Thanks to their support—and the enthusiastic participation from our local golfers—the tournament once again strengthened community connections and raised vital funds for future projects. We can't wait to tee off again in 2026!

## 58TH ANNUAL SIDEWALK DAYS

Downtown Greencastle is gearing up for one of the most anticipated events of the summer—the 58th Annual Sidewalk Days, proudly presented by **ELM Shoes**. Mark your calendars for Friday, July 11 (10 a.m. – 8 p.m.) and Saturday, July 12 (9 a.m. – 4 p.m.), as our community transforms into a vibrant festival filled with local charm, family fun and small-town celebration!

This year, over 110 vendors—including food trucks, retail merchants, artisans and specialty creators—will line the streets offering everything from handmade crafts and boutique finds to delicious festival treats. Vendor registration is officially closed, which means we're at full capacity and ready to welcome thousands of visitors to our historic town center!

Please note that for the safety and enjoyment of all attendees, road closures will be in effect during the event: Baltimore Street from Route 11 to Washington Street and Carlisle Street from Franklin Street to Madison Street will be closed to traffic. Visitors can enjoy live entertainment from **Franklin County Visitor's Bureau**: Acapella & Unplugged and performances by talented students from the **Cumberland Valley School of Music**. And of course, there's plenty to keep the little ones entertained with kid-friendly activities throughout both days.

A heartfelt thank you to **ELM Shoes + ELM Active** for being our Presenting Sponsor & Platinum “Walk the Block” Sponsor, which helps offset the cost of the road closure. We also have **Grambo's Attic**, **Directional Traffic** and **Industrial Pallet Co.** helping to support the road closure. **Patriot Federal Credit Union** and **Century, Inc.** will be our Entertainment Sponsors, **Premier HVAC** will sponsor the Kids' Zone and **Herbruck's of Blue Springs** is our Volunteer Sponsor. ## SITWORK BEGINS FOR SPRING STREET AMPHITHEATER

Downtown Chambersburg Inc. is thrilled to announce the official start of sitework construction on the highly anticipated Spring Street Amphitheater, a transformative public venue located at 59 Lincoln Way West in the heart of downtown Chambersburg. This major milestone marks the beginning of a project that will energize the community and provide a new gathering space for arts, culture and celebration.

The Spring Street Amphitheater, which will accommodate up to 400 people, is being made possible thanks to generous support from the Pennsylvania Department of Community and Economic Development and the Commonwealth of Pennsylvania's Local Share Account Grant (in coordination with the **Borough of Chambersburg**), in addition to donations from local individuals, businesses, foundations and organizations.

Downtown Chambersburg Inc., the proud owner and developer of the project, is leading the charge alongside a dedicated team:

- John Boozer of **Franklin Advisory** – Project Manager and Administrator
- Lance Kegerreis of **Dennis E. Black Engineering Inc.** – Project Engineer
- GRC, based in Zullinger, PA – General Contractor
- Scott's Excavating, based in Chambersburg, PA – Subcontractor: Sitework

In keeping with a strong commitment to local economic development, portions of the project will be subcontracted to Franklin County businesses. The project has received essential advocacy and support from State Senator Doug Mastriano and State Representative Rob Kauffman, whose leadership helped secure vital state funding.

"Downtown revitalization means investing in places that bring people together, and this amphitheater will do just that," said Jenna Kaczmarek, Board Chair of Downtown Chambersburg Inc. "We're proud to support this initiative and excited to see the community's response as we further enhance the area around Chambers Fort Park located at the convergence of the Falling Spring and Conococheague Creek."

Construction will continue through the coming months, with more updates and community engagement opportunities to be shared as the project progresses.
