CHAIR'S MESSAGE

With summer now in full swing and the smell of backyard BBQ lifting our spirits, I want to celebrate a great milestone. This summer marks the 5th anniversary of the CVBA! It has been an amazing 5 years and our business community continues to grow and thrive. The partnership between the **Greencastle Antrim Chamber of Commerce** and the **Greater Chambersburg Chamber of Commerce** has, and continues to, help us build strong business relationships.

I would also like to take a moment to celebrate something else. We are blessed to have two amazing and picturesque downtowns. In the bustle of life, we sometimes forget to stop for a moment and see how beautiful and unique both downtown Greencastle and downtown Chambersburg are. I would encourage you to take your family out to one of the many great downtown restaurants, shop at the local shops, or attend one of the many great events that happen in the summer or fall.

Your CVBA membership provides incredible benefits and I would encourage you to take full advantage of being part of this amazing organization. Join us as we grow together!

THE KEEPER OF THE BEES APIARY

717 Lincoln Way East, McConnellsburg, PA | info@thekeeperofthebees.com
717-753-2928 | thekeeperofthebees.com

Nestled in the heart of Fulton County, Pennsylvania, **The Keeper of the Bees Apiary** has become a valued member of the local business community through its commitment to quality products, exceptional customer service, and community involvement.

Over a decade ago, owner Marty Mettill was introduced to the art and science of beekeeping. What began as a curiosity quickly grew into a passion. Through years of learning and hands-on experience, Marty has developed a deep appreciation for the remarkable honeybee and enjoys sharing the wonders of these selfless pollinators with others. What started as a small vendor operation has blossomed into a thriving brick-and-mortar business. Today, The Keeper of the Bees Apiary offers raw honey and a growing line of sustainably sourced products designed to promote natural wellness and self-care.

The mission of The Keeper of the Bees Apiary is simple: to provide products that nourish the body using nature's finest ingredients. Every item reflects a commitment to quality craftsmanship and sustainable practices.

Beyond its business operations, the apiary believes in giving back to the community through support of local organizations, schools, and charitable initiatives throughout Fulton County and the surrounding Tri-State region. The Keeper of the Bees Apiary serves as a reminder that small businesses are the backbone of our local economy. Residents and visitors alike are encouraged to stop by, experience locally produced products, and learn more about the fascinating world of honeybees.

THE MINDFUL OASIS Co.

54 S. Main St., Chambersburg, PA | 717-456-0866 | themindfuloasis.com
nikole@themindfuloasis.com

I'm Nikole Boston, owner of **The Mindful Oasis Co.** I have been a social worker since 2011 working in a variety of settings and helping children and families.

My passion for a long time was school social work. But my body and the pandemic had a different plan for me so I started my own business in 2021. I had amazing opportunities to hire great clinicians throughout the past several years to help me grow the practice. I am proud that we have been able to maintain our mission to help those that need it and accept insurances the best we can.

At the same time, I had a back burner dream to create more than a traditional counseling space. The last few years solidified the need for this type of space even more than I originally realized.

I wanted to combine several ideas into one comprehensive Oasis. Several non-medical service providers, events and workshops to learn and create; a space to buy home goods and self-care products, mindfulness items, and things to please the soul. I wanted a space to have places to sit and be; to create and be mindful or social.

COALITION TO PROTECT FRANKLIN COUNTY

Chambersburg, PA | CTPFC.PA@gmail.com
717-263-7604 | CTPFC.com

My name is Lori Rice. I'm a lifelong resident of Franklin County. I'm the owner and operator of Heart and Soul Salon and Wellness. My family and I are heavily involved in farming and agriculture operations right here in our County.

Staying close to my roots, **Coalition To Protect Franklin County** was created out of a necessity to bring awareness to the rich farming heritage that is here in Franklin County. It started back in 2016 when farmers in Franklin County were facing, and still are facing the possible threat of high-voltage power lines with very large right of ways through their pristine farmland, many of which are preserved farmlands, which means they're development rights we're sold to forever keep it farmland.

It is also the desire of Coalition To Protect Franklin County to educate the public, especially our youth, of the value of farming, the simple basics of where their food comes from. In our efforts to

educate the public we have supplied education materials for our youth through avenues such as the Franklin Fall Farm Funfest here in Franklin County. We also distribute fresh food to local people in need multiple times a year with the help of our local produce farmers and Grocery Outlet.

Franklin County needs a strong voice for agriculture in leadership as we will face many more harmful intrusions to our county. Coalition To Protect Franklin County will aim to be a voice against the threat to farming in this community.

The CVBA offers members access to **My Benefit Advisor**, a valuable resource for employee benefits and voluntary benefit solutions. While many employers focus primarily on premiums when evaluating health benefits, the true financial impact extends much further. Absenteeism remains a significant concern, as employees facing health challenges or barriers to care are more likely to miss work. Presenteeism, when employees are at work but not fully productive due to health issues, can be even more costly. A successful benefits strategy looks beyond premiums to consider total impact, including cost, utilization, employee experience, and long-term outcomes. For more information about My Benefit Advisor, contact Rob Higginbotham at (800) 377-3539 or visit Cvba.mybenefitadvisor.com.

Downtown Greencastle is gearing up for one of the most anticipated events of the summer—the 59th Annual Sidewalk Days, proudly presented by **ELM Shoes + ELM Active**. Mark your calendars for Friday, July 10th (10 a.m. – 8 p.m.) and Saturday, July 11th (9 a.m. – 4 p.m.), as our community transforms into a vibrant festival filled with local charm, family fun and small-town celebration!

This year, over 110 vendors—including food trucks, retail merchants, artisans and specialty creators—will line the streets offering everything from handmade crafts and boutique finds to delicious festival treats. Vendor registration is officially

closed, which means we're at full capacity and ready to welcome thousands of visitors to our historic town center!

Please note that for the safety and enjoyment of all attendees, road closures will be in effect during the event: Baltimore Street from Route 11 to Washington Street and Carlisle Street from Franklin Street to Madison Street will be closed to traffic. Visitors can enjoy live entertainment from **McCrea Heating & Cooling** and the **Franklin County Visitor's Bureau: Acapella & Unplugged**. And of course, there's plenty to keep the little ones entertained with kid-friendly activities throughout both days, sponsored by **Premier HVAC** and **Grambo's Attic**.

A heartfelt thank you to **Century, Inc.** for being our Walk the Block Sponsor this year; this helps to support the road closure. **Patriot Federal Credit Union**, **BL Kline Engineering**, **Eberly's Plumbing & Heating**, and **Herbruck's Poultry Ranch** are supporting our Volunteers - we could not host an event of this magnitude without our Volunteers and Sponsors! Keep an eye out for our maps, sponsored by **LocalIQ**. Additional support from **F&M Trust**, **SEK**, **CPAs & Advisors** and **Industrial Pallet Corp.** is truly appreciated! We can't wait to see you there—bring your family, bring your friends and celebrate the community at its best! For a full listing of sponsors, vendors, and activities, go to: CVBAlliance.org/Events.

EXCITING MOMENTUM CONTINUES IN DOWNTOWN CHAMBERSBURG

As I continue to settle into the new role as Executive Director, there are so many exciting updates to share with our CVBA community!

As a proud Main Street America Affiliate organization, DCI is working to strengthen Downtown Chambersburg through the nationally recognized Main Street Approach, focusing on Economic Vitality, Organization, Design, and Promotion. These efforts help support local businesses, improve public spaces, foster community connections, and ensure downtown remains a vibrant destination for business owners, residents and visitors. One of DCI's most successful initiatives continues to be the Main Street Matters Business Improvement Grant Program. The third round of applications will open in July, providing downtown businesses with an opportunity to receive reimbursement funding for eligible improvement projects. Through the first two rounds of the program, DCI has distributed more than \$25,000 into our downtown businesses. For more information on the application process please visit our website at: downtownchambersburgpa.com.

ALL-YOU-CAN-EAT CRABS

Summer also brings one of DCI's most anticipated annual traditions. On Saturday, August 22, DCI will host its 30th Annual CrabFeast at the **AMVETS** from 3:00 p.m. to 8:00 p.m. This community favorite features all-you-can-eat crabs, beer from **GearHouse Brewing Co.**, land-food options, small games of chance, raffle prizes, and plenty of fun. Sponsorship opportunities are still available, and tickets can be purchased by scanning the event QR code below or contacting DCI.

SPRING STREET AMPHITHEATER WINS 2026 PENNSYLVANIA DOWNTOWN CENTER TOWNIE AWARD

DCI is also proud to announce that the **Spring Street Amphitheater** has been recognized with the 2026 Pennsylvania Downtown Center Townie Award for Public Space Improvement. Sam Thrush and I accepted the award at the annual Townie Award Celebration on June 30th at the PDC Conference in Erie, Pa. The award recognizes projects that enhance public spaces and contribute to the vitality of downtown communities across Pennsylvania. The amphitheater has quickly become a gathering place for entertainment, community events, and celebrations, and this recognition reflects the vision, collaboration, and support that helped bring the project to life.

In addition, DCI would also like to extend its sincere appreciation to **WellSpan Chambersburg Hospital** for its generous investment in the amphitheater's stage space and roof covering. Thanks to their partnership, the venue will continue to serve as a welcoming and accessible community space for years to come. DCI, WellSpan, and community partners (**Borough of Chambersburg**) look forward to celebrating both the Townie Award and the official naming of the stage during a community event later this summer. Event details will be announced on DCI's Facebook page.

BOARD OF DIRECTORS UPDATE

As DCI continues its work, the organization is honored to welcome three new members to its Board of Directors: Kellen Beaver of Neighbors Food Hall, Kaylin Shearer of **Keystone Health**, and Garrett Singer of **Wilson College**. Each brings valuable experience, fresh perspectives, and a shared commitment to the future of Downtown Chambersburg. Their leadership will help advance DCI's mission of promoting economic vitality and creating a thriving downtown for all.

Thank you to the businesses, residents, volunteers, sponsors, and community partners who continue to support Downtown Chambersburg. Together, we are building a downtown that is not only thriving today but positioned for continued success in the years ahead.
