PRESIDENT'S MESSAGE

As we step into 2026, I am filled with gratitude and pride in the Cumberland Valley Business Alliance, along with genuine excitement for what lies ahead. Thank you for your continued membership, your partnership, and the trust you have placed in this organization over the past four years. The year ahead promises to be an extraordinary one. In 2026, the CVBA proudly celebrates its 5th Anniversary—a milestone that reflects not only our growth, but the collaborative spirit that has shaped who we are today.

That spirit is sustained by you. Your engagement and dedication are what make the partnership between the Greater Chambersburg Chamber of Commerce and the Greencastle-Antrim Chamber of Commerce so impactful. Together, we've built something meaningful, and we will continue to create opportunities for our businesses, deepen community connections, and advocate for the success of every member.

Like many of you, I'm also entering this year embracing exciting changes in my own life. As I look ahead, I'm reminded how closely our personal and professional journeys often align—grounded in the perseverance that brought us here, while remaining open to the opportunities that will shape what comes next. That balance of honoring where we've been while welcoming what's possible will guide our work in 2026.

This year, we look forward to welcoming new members into the CVBA, broadening our reach and strengthening the collective voice of our business community. At the same time, we remain deeply committed to the members who have helped build and sustain this organization from the very beginning. In this milestone year, you'll see renewed efforts to celebrate your successes, elevate your stories, and ensure you experience the full value of membership. I also encourage each of you to increase your visibility and involvement—whether that's through the Membership Information Center, attending mixers or programs, serving on a committee, or supporting the many events hosted by the CVBA and both Chambers throughout the year.

As we set our intentions for 2026, I hope you'll join me in one shared commitment: continuing to build a stronger, more connected, and more vibrant Cumberland Valley. I look forward to all that we will accomplish together in the year ahead. Warmest wishes for a joyful, successful, and inspiring 2026!

BUSINESS PERSON & AMBASSADOR AWARDS

The CVBA recognized two outstanding leaders at its Annual Meeting sponsored by **WellSpan Health** in December, celebrating individuals whose achievements, service, and dedication have strengthened the region's business community.

Garon Gembe, President of **Graphics Universal**, was named the 2025 Business Person of the Year. With nearly four decades in the printing industry, Gembe has led Graphics Universal through significant growth, technological advancement, and expansion into new markets. Under his leadership, the company has seen more than 200 percent sales growth, invested in state-of-the-art digital capabilities, and cultivated a workplace culture known for loyalty and long-term commitment.

Gembe has played a central role in local education initiatives, including the founding of the Greencastle-Antrim Education Foundation, and continues to support youth programs, community events, and regional economic development. His leadership, integrity, and community-minded spirit earned him this year's top business honor.

The CVBA also announced Grace Waller as the 2025 Ambassador of the Year. Owner of **What a Wallerful Feeling Company** and publisher of **Chambersburg Neighbors** and **Shippensburg Neighbors**, Waller is known for her reliability, warmth, and steady commitment to building connections across the business community. PIERRE THE TAX GUY LLC

Chambersburg, PA | www.PierreTheTaxGuy.com | 717-331-2154 | business@pierrethetaxguy.com

Pierre The Tax Guy LLC was founded from lived experience. Growing up in an immigrant household where there was no understanding of retirement, taxes, or financial systems, Pierre watched his family work hard while still overpaying the IRS and struggling to build true financial security. As a young teen, he took it upon himself to learn what no one taught them, budgeting, tax laws, retirement planning, and wealth-building strategies, so his family could save more and stress less.

That journey led him to earn a degree in accounting and business administration, gain hands-on experience in tax and consulting, and later complete an MBA in data analytics to combine financial knowledge with data-driven clarity. Today, he uses that expertise to help individuals, families, and small businesses reduce tax burdens,

uncover missed deductions, and build financial systems that create long-term freedom.

Through tax preparation, tax planning, bookkeeping, and budget coaching, Pierre simplifies complex finances and empowers clients to keep more of what they earn while building confidence and stability for the future. To learn how Pierre can help you, visit: Pierrethetaxguy.com

WellSpan Health has become the first health system in central Pennsylvania to integrate artificial intelligence (AI) into its breast cancer screening process, improving the speed and accuracy of mammogram readings.

The FDA-approved AI technology helps radiologists detect hard-to-spot cancers, especially in women with dense breast tissue, by flagging concerning images within minutes. This allows many patients to receive same-day results and, when necessary, immediate follow-up testing such as ultrasounds or MRIs, reducing both wait times and anxiety. Since implementation, WellSpan has seen a 3.8% increase in early breast cancer detections, equating to over 100 additional lives positively impacted, and expects to identify about 56 more cancers annually across its 100,000 screenings. The initiative is part of a broader effort to deliver personalized, proactive care, including a new risk assessment tool for younger and high-risk patients. To learn more about WellSpan breast care services or to schedule a mammogram, visit WellSpan.org/BreastCancer.

HOLIDAY LIGHTS SPARKLE IN CHAMBERSBURG FOR A GOOD CAUSE

The community showed its holiday spirit in a big way during this year's Deck the Town holiday decorating contest, with 18 homes and businesses lighting up Chambersburg in support of the Cumberland Valley Animal Shelter (CVAS).

Participants went all out with festive displays, inviting residents and visitors to drive through the community, enjoy the creativity and vote for their favorites. The contest spread seasonal cheer and more than \$1,000 in donations expected to benefit the animal shelter and support its ongoing mission.

CVAS provides compassionate care, shelter and adoption services for homeless and abandoned animals throughout the region. Thank you to everyone who decorated, voted and donated, and to all who helped make Deck the Town a bright example of how our community comes together to give back during the holidays. A check with the proceeds will be presented to the Cumberland Valley Animal Shelter in early January.

FUNDS RAISED TO SUPPORT CASHS SCHOLARSHIPS

A BIG YEAR FOR HERITAGE CHRISTMAS

What an amazing holiday season in the Greencastle-Antrim Community! Our Annual Brochure, outlining the events of "This Christmas of Olde" was sent to every resident in the 17225 zip code - thanks to the combined support from **Graphics Universal** and our postage sponsor, **WellSpan Health**. We kicked off the Heritage Christmas Season in November with the Downtown and Around Town Holiday Open House, where folks shopped for holiday decor and checked some gifts off their lists. The most highly anticipated event of the season is the Tree Lighting Ceremony - sponsored by **Patriot Federal Credit Union**. This year's Christmas Tree came from the Brand Family on Rice Hollow Rd. and was brought in by **Cumberland Valley Tree Service**, decorated by Bob Wolff and his team at **GW Electric**, and sponsored by the **Borough of Greencastle** and **Antrim Township**. This was the largest turnout at the Tree Lighting Ceremony to date, and cheer erupted when our Grand Marshall, Holland Doyle, illuminated the tree with the Lights of Love - sponsored by **Grambo's Attic**. The town rang their bells (**Antrim Way Honda**) and caroled along with their Song Books (**Herald Mail Media**). Our tree this year also donned a new Tree Star, sponsored by **Greencastle ACE Hardware**. **Lumber Direct** sponsored our stage and the Holiday House, where folks were able to purchase the Annual Chamber Christmas Ornament, featuring **Carl's Drug Store**. The Sponsor Banner was printed and hung by **Wertner Signs LLC**. The Annual Christmas Parade was hosted by **VerStandig Media** and Antrim Way Honda the following day, and we got a visit from Old Saint Nick himself! On Small Business Saturday, we saw huge support for our local businesses! When shoppers showed us that they had spent \$20 or more, they were rewarded with a #Shop17225 tote bag full of coupons, vouchers, and many contained gift certificates to continue shopping small! Thank you to **Century, Inc.** for supporting this initiative!

Heritage Christmas in the Square was held on December 5 and 12, and we definitely felt the chill of winter! The Square of Greencastle was full with several vendors, churches, community, and civic groups with free treats! Kids stopped by to get their Pictures with Santa, sponsored by **F&M Trust**, along with a Take & Make Cookie Kit. Santa's Snapshot Studio and Square was beautifully decorated thanks to **Premier HVAC**. Many also dropped off their letters to send to the North Pole in Santa's Mailbox, sponsored by **Corning Credit Union**. Children also

participated in the Annual Scavenger Hunt (**Middletown Valley Bank**) and grabbed a balloon creation from Uncle Bean (**Quad State Air Compressor Sales & Service**). The tradition that has been carried on since the beginning is the Horse & Wagon Rides, supported by **Forrester Lincoln**.

Several new events happened this year! We had our Inaugural Taste of the Holidays Stroll in downtown greencastle - sponsored by **Orrstown Bank**. The \$15 ticket included your passport indicating the 23 participating businesses, a stadium tote to hold extra treats, and a 10 percent off coupon to **Hidden Key Brewing Co.**, who had an Ugly Sweater Party that same evening. The town was abuzz with almost 100 attendees and the Williamsport Community Band provided our Sounds of the Season- sponsored by **ACNB Bank**. Everyone enjoyed walking around town and shopping our small businesses, grabbing a bite for lunch at local restaurants, and of course - sampling all kinds of cookies, hot chocolates, cheesecake, ice cream, chex mix, coffees, and more!

The second new event we hosted this year was Antrim Winter Wonderland at Antrim Township Park, supported by **Antrim Insurance Agency**. Families gathered to catch the shuttles down to Martin's Mill Bridge - which was beautifully decorated and illuminated, and took pictures with Santa Claus. The park was bustling with festive music from the G-A High School Band and Friends, who also handed out free cookies and hot chocolate. Incredible Tesla Light Shows impressed visitors, and our friendly Neighborhood Grinch was there for photo ops. Thanks to our Premier Sponsor for this event, **Snyder's Attractions**, families were able to catch a free ride on the Magic Bears. We look forward to expanding this event for years to come.

Lastly, our annual Light-It-Up contest had 16 participants with some amazing light displays. This year, we broke the entries into categories: Best Business, Best Individual Home, Best Group Entry, and the entry with the most overall votes was also recognized! Each vote was \$1 and all proceeds benefitted the **Greencastle-Antrim Food Pantry**. Huge thank you to **Manitowoc** for sponsoring this initiative.

Additionally, we would like to recognize the in-kind contributions of: **Antrim Township**, Borough of Greencastle, Josh Brand & Family, **Cumberland Valley School of Music**, Fran Kenawell State Farm, GASD Intern Kennedy Tripp, **The Franklin County Visitors Bureau**, GASD Band & Chorus Members, Brock Bricker, Erin Bayko, Josh Smith, The Batthlow's, Greencastle Police Department, Off-Center Properties - Dr. Carter Davidson, Rescue Hose Company Fire Police, **Waste Management**, **Habitat for Humanity Franklin County**, Martin's Grocery, the Bean and Biscuit, WRGG Radio, Fred Burkett, and of course, our dedicated Heritage Christmas Committee and Volunteers

HUMMINGBIRD ROBOTICS IN ACTION

The Chamber Foundation Board was welcomed to Fairview Avenue Elementary in Waynesboro School District this fall to watch fifth grade students using Hummingbird coding robotics in action as part of their Halloween themed lesson plan. Students used robotic kits, purchased through the Foundation's Technology Innovation Grant Challenge program, to help bring to life self-created robot rooms themed by famous Halloween movie stories involving ghosts. The group also observed Fairview kindergarteners using their Sphero Indi robots that were part of a previous grant award.

The Foundation funded \$30k in grant programs in 2025 through EITC funds provided by Orrstown Bank and Starr Insurance LLC. The 2026 grant application cycle will open in late January. Check the Foundation website for more information.

LEADERSHIP COMMUNITY CLASS

LFC Community spent their holiday session celebrating Franklin County history and the arts! The session locations split time in historic downtown Chambersburg and Waynesboro in December. The morning session on Franklin County history and tourism was led by Janet Pollard of the **Franklin County Visitor's Bureau** with guest speakers Dr. Betty Moseley Brown, Department of Veteran Affairs and John Miller of the Shippensburg Historical Society. The class learned about the Franklin County Certified Tourism Ambassador (CTA) program while learning about the economic impact of tourism in our region. In the afternoon, the class visited the Waynesboro Theater for the Arts in Franklin County. Heather McEndree of **Cumberland Valley School of Music (CVSM)** and Andrew Sussman of the Arts Alliance of Greater Waynesboro talked to the class. Heather Kline of CVSM also led the group through fun improv. Holly Baker, Interim President of the Council of the Arts led the group through an art project. SPONSOR THE FOUNTAIN FLOWERS

Local businesses are invited to support one of Chambersburg's most treasured landmarks by becoming a Fountain Flower Sponsor. Located at the intersection of Routes 11 and 30, the historic memorial fountain has stood at the heart of our community since 1878 and remains a powerful symbol of remembrance, resilience, and civic pride.

Only nine sponsorships are available at \$500 per business, providing a unique opportunity to help maintain the seasonal flowers that frame this iconic site. Sponsorships directly support the care and upkeep of the fountain's surrounding flower beds, ensuring the area remains vibrant and welcoming for residents and visitors alike.

By becoming a flower sponsor, your business plays a meaningful role in preserving Chambersburg's history while contributing to the beauty of our downtown. Join us in helping this beloved community landmark continue to bloom. Learn more at Tinyurl.com/FountainFlowerSponsor.

GET READY FOR ICEFEST 2026

Mark your calendars for IceFest 2026, Pennsylvania's largest winter celebration in Downtown Chambersburg sponsored by **M&T Bank**. This four-day fest will be January 29 - February 1 and brings together spectacular ice art, family-friendly activities, and community tradition as we shake off the winter blues and enjoy everything our vibrant downtown has to offer.

Visitors can watch live ice sculpting downtown, where talented carvers transform plain blocks of ice into stunning works of art right before your eyes. There's fun for all ages including a free double-wide ice slide, scavenger hunts with multiple age categories, and an array of food trucks and festival vendors serving up warm treats and winter favorites.

IceFest also features time-honored traditions like the 21st Annual Chili-Q competition & Beer Garden, where chefs and home cooks compete for the title of Chili Champion (and your vote!) alongside live music, and community spirit.

For those who love a festive night out, the Snowfall Ball at the **Capitol Theatre Center** offers dancing under twinkling lights and views of the illuminated ice sculptures.

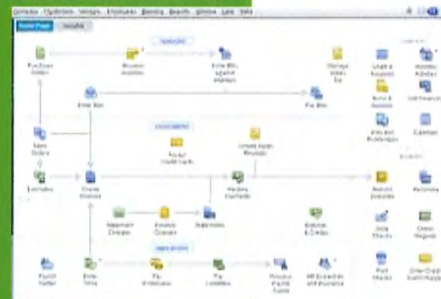

The festival wraps up with the Run Your Ice Off 5K, a fun winter run/walk through downtown and the scenic rail trail — a perfect way to cap off the celebration.

Whether you're coming for the art, the food, the fun or the community spirit, IceFest 2026 has something for everyone. Stay tuned for the full schedule of events and plan to support downtown businesses while you're here!
